

Byung-kyu KIM

YEAR OF PRACTICE

- 2010 ~ Present

EDUCATIONAL BACKGROUND

- KAIST (Korea Advanced Institute of Science and Technology), BS in Electrical & Electronic Engineering (2004)

ADMISSIONS / AFFILIATIONS

- Admitted to Patent Bar (2010)
- KPAA (Korean Patent Attorneys Association)

TECHNICAL EXPERTISE

- Electrical transmission, broadcast communication, transmission of digital information, wireless communication networks
- Semiconductor, image data processing

CONTACT

- Tel: 02-6714-1138
- Email: bkkim@nampat.co.kr
- Language: Korean/ English

PROFESSIONAL EXPERIENCE

- Handling patent applications, OA, and trials regarding wireless communication
- Handling patent applications, OA, and trials regarding semiconductor devices
- Handling patent applications, OA, and trials regarding image data processing
- Handling patent applications, OA, and trials regarding CDMA (IS-95/ CDMA2000)
- Handling patent applications, OA, and trials regarding semiconductor and circuit
